RE: Case# 2005-00387

Executive Director's Office
Public Service Commission of Kentucky
P.O. Box 615
Frankfort, KY 40602

To Whom It May Concern:

We would like to intervene and prevent the construction of a new cell facility by Bluegrass Wireless LLC. We have several commercial rental buildings in this area and we feel the construction of the cell facility would deter potential clients from renting from us and would upset our current tenants and cause us vacancies and therefore financial hardships.

Please do not allow the construction of this tower near our properties as we are sure this will be detrimental to our businesses.

Sincerely,

Mike Whitaker
Managing Partner
